Dear Minister McKenna,

So much of our wilderness has already been ruined by development, drilling, pollution, and logging.

Enough is enough!

The wilderness is supposed to be a place of peace and quiet for us, and the wildlife which live in it!

The animals are running out of places to live and be safe. Our wildlife are under threat from so many angles. They desperately need to be protected, mainly from humans.

Life is hard enough for people, let alone the animals.

Can't we please offer them some much needed help?!

PLEASE save the wilderness for all future generations before it is permanently ruined. Some damage cannot be undone!

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Thank you,

JakeHodie
