**Date:** February-01-19 12:20:12 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. National Parks should be preserved not torn apart in the name of money and industry. When will the world begin to realize that these are not renewable resources and start investing more time/more money into renewable ones. In less than 12 years, the damage that we have done will already be irreversible.

Thank you,
