Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-01-19 2:54:07 PM

Dear Minister McKenna,

I was extremely surprised and disappointed to find out that the Canada-Nova Scotia Offshore Petroleum Board has put out a call-for-bids for oil and gas exploration within Sable Island National Park Reserve. Is this even legal under Reserve frameworks? Reserves should be spaces set aside for conservation, not for oil and gas exploration.

Thank you,
