**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I remember various documentaries about Sable Island (particularly the horses and birds) and it strikes me as being a representative of harsh isolation. I wish for it to remain unspoiled and protected from oil and gas exploration. I do not believe that large corporations sufficiently act towards the safety of their operations and the implementation of safeguards against likely discharges from their activity.

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Thank you,
