Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. This is a National Park which we are protecting for future generation....the parks are not for Corporate oil and Gas profits for US based oil companies , nor our Canadian Oil and Gas companies.

Let's get our oil out of Alberta by opening our pipelines and getting the gas to market.....let's not make this another gift to the Irving Oil group.

Make a conscious decision to do what is right for the environment, not a political gift to the local oil family.

Thank you,
