**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 11:04:03 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve, and anywhere near it. It is inconceivable that such a project would be proposed for this area. It goes against all of the principles that Parks Canada and the government claim to uphold. It would only take one accident to ruin the park, forever. We don't need the resources that much.

Thank you,

StephenSmith
