Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 11:32:02 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. In this day and age as we seek to cut back on carbon emissions and protect our marine life, it does not make sense to do exploration for new gas and oil reserves in a Natural Park Reserve!

Thank you,
