Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. I was one of those children in 1956 who wrote to the government of Nova Scotia to ask if I could take some of the horses. I was politely declined. My grandfather Henry Blackadar, told me stories of Sable Island and captured the imagination of a 10 year old girl. I am now 71 and Sable Island still holds the same wonder and allure. It would be unforgivable to threaten the island, the environment and its wild inhabitants and history with an oil and gas exploration. Sable Island is on my bucket list. I would like to keep it there. I have shared my passion for the island with many people and also shared the incredible photos by Robert Dutesco. Please look at those photos and tell me you are not moved to protect this wonder. <https://www.dutescoart.com/img/SableIslandWildHorses-H-11.jpg>

Thank you,

BarbaraBlackadar
