Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:44:01 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. In addition, at a time when we should be phasing out fossil fuels it is troubling that new sources are being explored for future development.

Please do not allow this threat to Sable Island to proceed and in fact ban offshore exploration and development.

Thank you,
