Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-06-19 9:34:03 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
We are suppose to be going greener.
Drill somewhere else but NOT in a National Park!
My understanding is that there is a limited amount of people that are allowed to visit the island but now you want to let exploratory drilling to happen.
Let's show the rest of Canada that you can't be bought.

Thank you,
Tracy Goodwin
