**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 10:12:03 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Canada's national parks should NOT be subjected to oil and gas activities. For Sable Island, surface drilling is prohibited, but loopholes in the legislation allow for the possibility of oil and gas exploration on the island, as well as sub-surface drilling.

There should be NO oil and gas exploration activities within Sable Island National Park Reserve.

National parks are no place for oil and gas exploration.

Thank you,
