**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 5:18:48 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

National Parks are created to preserve the natural environment. No kind of destructive operation can legally take place on them. There are lots of other places for oil and gas companies to go searching.

Preserving nature is essential for our well-being, which more and more use of gas and oil is certainly not.

Please take the appropriate action.
