Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 7:44:02 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. We have enough external pressures threatening our wilderness and parks, I believe that your job should be to protect what we have and create more!

I would also like to see you push Canada away from oil. It's dirty, and we should be moving on to cleaner options.

Thank you,

BrianLaDuke
