Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-03-19 11:38:02 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Aren't we supposed to be moving away from oil and gas and onto renewable energy resources? I see this as a step backwards and a disaster waiting to happen.

Please do not allow oil and gas exploration within the Sable Island National Park reserve and make the island and surrounding seas a fully protected National Park

Thank you,

Eric Hebert
