**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 9:15:18 AM

Dear Minister McKenna,

I absolutely do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Small islands such as this are already under dire threats due to climate change, and to even consider fossil fuel industrial development--which will only increase the effects of climate change--in such a precarious and precious environment is anathema to the mandate of national parks. Please protect our natural heritage, as is your (and my) responsibility.

Thank you,
