Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Ridiculous. Instead, please build REFINERIES in Fort McMurray to ensure AB's oil gets to market (US) in a clean and useful state.

I'm not in favor of the Transmountain pipeline either, while we're on the topic. We stand a better chance of getting fair market value from US if we at least sell them a finished product. Sheesh.

Thank you,
