Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 2:04:47 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. As this area was set aside to preserve it as a park, oil & gas exploration should not trump this act. These natural areas of Canada need to be set aside for the enjoyment of generations of both animals and humans to come.

I request that you become a spokesperson for the natural areas of our country and the other countries of our world. You are uniquely positioned to fulfill that role.

Thank you,
