Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 3:24:48 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. It is adding insult to injury to do this in light of climate change. Isn't it time we invest our money, time and efforts in renewable energy instead of further entrenching ourselves in oil and gas?

Thank you,
