Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:26:01 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. It would be a travesty, considering the delicate ecosystem of the NATIONAL Park. Hasn't oil and gas made ill advised incursions into too many 'protected' areas already?

Thank you,
