**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** January-31-19 11:30:47 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. We have enough oil in Canada being produced right now. There is no need to continually add more and more to it. Until we get this industry straightened out and it is stable, we need to stop adding more. This location is a National Park Reserve and needs to remain that way.

Thank you,

DanyellD
