Subject: I do NOT support oil and gas exploration within the Sable Island National Park Reserve.
Date: January-31-19 10:12:03 AM

Dear Minister McKenna,

I firmly oppose oil and gas exploration within the Sable Island National Park Reserve. All the flora and fauna there--notably the wild horses and the grey seals---deserve protection. Sable Island is a unique part of Nova Scotia's (Canada's!) social and natural heritage. Please make its preservation a higher priority than oil and gas exploration for the sake of this and future generations.

Thank you,
