Subject: Proposed oil and gas exploration within Sable Island National Park Reserve.
Date: February-05-19 12:58:49 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

It is outrageous that the Reserve should be used as a platform for this destructive activity, whether exploratory or ultimately productive. Please use your authority to completely shut down these proposals. That is why we put the Liberal Party where it is today. Don't let us down.

Thank you,

Robert Nation
