**Subject:** Sable Island needs protection not exploitation.  
**Date:** February-06-19 11:30:05 PM

Dear Minister McKenna,

Sable Island is a fragile, incredibly beautiful and unique part of Canada. Parks Canada should be working to protect and preserve that amazing treasure, I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Please do the right thing and stop the exploitation of this natural habitat.

Thank you,  
Donna Johnson
