**Subject:** Stay out of Sable Island!  
**Date:** February-08-19 10:32:03 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Canada's national parks should NOT be subjected to oil and gas activities. I understand that for Sable Island, surface drilling is prohibited, but loopholes in the legislation allow for the possibility of oil and gas exploration on the island, as well as sub-surface drilling - this must be remedied IMMEDIATELY!

Thank you,
