Subject: Stop and prevent further oil and gas exploration within Sable Island National Park Reserve.
Date: February-04-19 8:32:46 PM

Dear Minister McKenna,

Sable Island National Park Reserve is famous for its extensive sand dunes and wild horses.

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Canada's national parks should NOT be subjected to oil and gas activities.

Please stop and prevent further oil and gas exploration within Sable Island National Park Reserve.

Thank you,

Ena Spalding
