Subject: We Do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 5:22:46 PM

Dear Minister McKenna,

As Canadian voters, we do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. Canada must start moving towards a non-polluting renewable energy future. We will be watching your government's actions closely concerning fossil fuels as we head into a federal election in 2019.

Thank you,

Megan and DougRoberts
