Dear Ms Bonnell-Eisnor

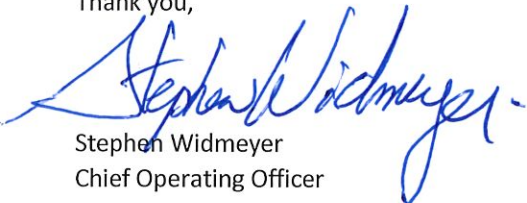

Please accept this submission from Horizon Maritime Services Ltd respecting the public written comments invitation respecting Call for Bids NS18-3.

Our team have been providing marine services at or near the locations identified in this most recent calls for bids for decades. From a marine perspective, Nova Scotian seafarers have substantial experience working off Sable Island. We know the location, we know the ecology, we know the climate, and we know the sea here. We know the what is required to develop our resources in this location in a safe and environmentally sensitive manner.

We are ready to support new exploration at Call for Bids Area NS 18-3.

We look forward to a successful Call for Bids and timely investment attraction to Nova Scotia.
