**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** February-03-19 1:26:47 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within the Sable Island National Park Reserve. We must stop all oil and gas exploration. We are now in a climate change crisis so we cannot risk doing more harm to the oceans or lands for more oil and gas - we need to shut it all down and go with clean, renewable energy sources. Stand up against the demands of oil and gas corporations. Enough, is enough.

Thank you,
