Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-07-19 10:58:46 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

We've seen time and time again the damage caused by oil and gas extraction processes both on land and in coastal areas. Please encourage renewable sources and dissuade against archaic oil and gas. It's time we, as a country, moved on and showed the world there are other, environmentally conscious options.

Please don't allow exploration of this type and in this manner near protected areas anywhere in Canada.

Thank you,

Frank Gardell.
