Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 12:46:01 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. All parks should be free of oil and gas production. They are parks for a reason. Usually because they are areas of outstanding beauty or enviromental importance. Oil or gas production destroys that, so why open it up for exploration?

Thank you,

JeannetteHorsfield
