Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: January-31-19 9:22:03 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. The Federal government should declare a moratorium on all further offshore drilling and exploration for oil and gas. Not only do these activities pose a serious environmental risk, we will never achieve our climate goals by continued support of the fossil fuel industry.

Thank you,
