Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

I cannot believe this government or yourself would think this is a good idea. I'm deeply concerned that only economic factors are being considered.

It is this type of stuff that will help the opposition in the next election.

I would much rather have the beauty of an unspoiled environment than the few (20yrs at most) of oil or gas production. Sable Gas projects did very little for Nova Scotians. Just lined the pockets of a few at the top.

Almost shameful you would allow this on your watch.

Thank you,
