Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. In fact, I do not support ANY further drilling for oil or natural gas ANYWHERE within our waters. 80 % of current oil reserves has to remain in the ground, to protect the planet from the catastrophic effects of global warming. Perhaps you weren't aware of that.

Thank you,
