**Subject:** I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.  
**Date:** February-07-19 9:40:01 AM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve or within or near the confines of any national park or protected area. What does protection mean when massive pollution could result from an accident or oil spill from the rig? In the case of a place built on shifting sands, this is particularly crucial! Offshore oil and gas exploration and exploitation is NOT worth the risk!

Thank you,
