Subject: I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve.
Date: February-06-19 8:55:31 PM

Dear Minister McKenna,

I do NOT support oil and gas exploration occurring within Sable Island National Park Reserve. We have so little intact wilderness left to protect. It is unconscionable that under the global threat of climate change a marine protected area, national park, and the marine environment as a whole would be put at risk by oil and gas extraction.

Thank you,
